

Quality Assurance Policy

Internal Quality Assurance (IQA) is the process of ensuring that training delivery and assessment

practice is monitored in order to ensure that they meet or exceed national standards. At the

Training Centre we operate a robust internal quality assurance system, to maintain the consistency

and accuracy of assessments and ensure continual development of our working practices, resources,

processes and procedures. This supports our aim to encourage and enable knowledge gathering and

realise achievement through quality delivery.

We regularly monitor all of our courses; our Director Sandra Bujnowska frequently reviews all

training delivery taking place in the centre and Internal Quality Assurance is carried out on an ongoing basis to ensure consistent assessment standards are maintained following our accrediting

guidelines, all learner portfolios are included in the Internal Quality Assessment routines.

A) Purpose

To meet and exceed the requirements placed upon us by;

- Our accrediting centre;
- Other awarding bodies;
- Our students;

To support all employees to have excellent working practices, through provision of formative

training, supervision, observation and sampling processes.

To support and develop tutors in their working practices by affording them the opportunity to

receive critically supportive comment on;

- The assessment decisions reached on portfolio evidence
- Training/teaching techniques applied

To provide a continuous check on the consistency and quality of delivery and the consistency, quality

and fairness of marking, grading and overall assessment of learner evidence.

To ensure that valid, consistent assessment decisions are reached and external requirements are fully met.

To develop and maintain internal and external associations based on quality, belief and integrity.

And so to encourage and uphold quality in all that we do.

B) Scope

All employees, tutors and students; Internal Quality Assurance of any work practices, documents

and evidence that impact on the delivery, examination and assessment of qualifications and training

supplied by the Training Centre.

C) Roles and Responsibilities

Our centre responsible for ensuring that;

-The quality requirements of our accrediting university, other awarding bodies and

employment partners are met in the delivery and assessment of qualifications;

- IQA policies and procedures are sufficient, regularly reviewed and known, understood and

implemented by all;

- All employees and tutors involved in the processes of delivery of services are appropriately

trained and qualified through provision of rigorous recruitment processes, induction training

and continual development;

-All employees and tutors involved in IQA processes are appropriately trained and qualified

through provision of rigorous recruitment processes, induction training and continual

development.

Employees and tutors involved in induction of students are responsible for ensuring:

-Checking the identity of the student;

-All paperwork is fully and accurately completed;

-That students are inducted into their chosen programme in a way that meets their needs.

Tutors are responsible for ensuring that:

-Candidates/learners are aware of;

- The different types of evidence that they can collect to prove competence of knowledge and working practices;
- Their responsibilities in the collection, authentication and presentation of evidence;

-The candidates/learners are fully supported throughout the term of their qualification. This

should include:

- Assessing the persons learning style and discussing their preferred ways of learning
- Effective management evidence gathering, assessment and attainment
- Agreeing and recording assessment and visit plans for each person
- Completing regular reviews with the person and their employer to review progress

and agree new targets

- Providing the person with prompt, accurate, formative and summative feedback.
- Demonstration of anti-discriminatory practice and equal opportunities
- Maintenance of confidentiality and compliance with the Data Protection Act.

- They observe learners' performance through formative assessment and/or in simulated

situations, and/or conduct other forms of assessment in accordance with the qualification

and unit standards and requirements. Such as;

- ensuring validity, authenticity, currency and sufficiency of evidence
- maintaining appropriate, accurate and verifiable records
- confirming that learners have demonstrated competence/knowledge and have completed the required documentation

D) Internal Quality Assurers

Internal Quality assurers are responsible for:

-Ensuring that they lead, advise and support the tutors allocated to them through;

-Ensuring adherence to the principles of assessment and guidance provided by the centre;

-Providing guidance on the interpretation and application of assessment criteria correctly and

consistently applied;

-Observation and supply of formative feedback on working practices;

-Sampling of assessment activities such as assessment decisions, formative feedback

supplied, completion of portfolio documents, student evaluation forms, etc;

-Ensuring assessors have opportunities for updating and developing their vocational and

professional competence;

-Carrying out a quality audit of the documentation used within and format of the training

courses;

-Supporting, countersigning, dating assessments and quality assuring judgements by

assessors and Internal Quality Assurers not holding the appropriate assessor/Internal Quality

Assurer qualifications as approved and specified by the Regulatory Authorities.

-Supporting the Training Centre to meet its goals by;

o Undertaking an active role in raising issues of good practice in assessment;

o Ensuring that equal opportunities and anti-discriminatory practices are upheld in the

assessment process;

o Liaising with other IQAs and the External Quality Assurer to implement the requirements of the assessment system;

o Ensuring that all Learners' achievement records and Centre documentation are completed in accordance with requirements;

o Attending regular IQA meetings.

E) Policy Implementation – Procedures

The IQA policy must be applied to every programme with work that is internally assessed and which

contributes to the final assessment outcome of a student.

Tutors and Internal Quality Assurers will be given sufficient time, resources and authority to perform

their roles and responsibilities effectively.

Qualifications

Only appropriately qualified and experienced tutors must carry out un-supported assessment. All

tutors must have significant experience in the sector of the qualification

Appropriately qualified staff must carry out all internal quality assurance.

Sampling

All IQAs must follow the sampling plan developed and maintained by the Director.

Sampling must be across all tutors, all types of evidence and all students, including plans, reviews

and records in addition to student evidence.

Frequency of assessment will be decided following a risk assessment of the assessor, looking at

experience and competence, but to meet the requirements of the accrediting university, other

awarding bodies and our partners all portfolios will be quality assured the IQA will at the minimum

sample at least one piece of evidence for each component of the qualification.

IQA must be carried out continuously throughout the year.

F) Observations

All tutors will have at least one observation per year by their allocated IQA

IQA observation should include;

- Sight of Learning Plan
- Agreement of objectives for the meeting/visit/session
- Student performance and stretching
- Embedding of Functional Skills, Safeguarding and Equality & Diversity
- Questioning / Assessment / Training / Self-guided learning
- Formative feedback
- Recap of learning achieved
- Agreement of next steps

The observation will be recorded on an Observation of Assessor Practice Form.

Feedback from an IQA observation of trainer delivery must be delivered to the relevant trainer as

soon as practicable, preferably by the end of the working day. Any actions should then be agreed

and the Observation of Tutor Practice form should be updated and then signed by the IQA and tutor

to confirm the accuracy of the information it contains.

A copy of the form should be forwarded to the Director and the original filed in the tutor's

personnel file.

G) Student Interviews

Once a year the IQA will interview at least one student for each of their allocated tutors. There are

set interview questions on the Learner Interview Record, all of which should be asked, but all may

not be applicable. These interviews may be carried out face to face or by email.

Once complete a copy of the record should be forwarded to the Clinical Director and the original

filed in the tutor's personnel file.

H) Disagreement of IQA findings

Every tutor has the right to challenge an IQA decision made on their assessment decisions. The

assessor should indicate their disagreement on the relevant IQA form and bring it to the attention of

the IQA within 5 working days of being informed that the portfolio is ready for collection following

an IQA.

Where there is a challenge made the assessor and IQA must in the first instance meet and discuss

the challenge informally, if agreement can then be made, this should be indicated on the IQA form

and then no further action is required.

If an agreement cannot be reached then this goes to:

1. Stage One Appeal

The lead will allocate another IQA to investigate the challenge. They will discuss the IQA

report with the assessor and the first IQA and will IQA the piece of evidence/document

themselves and will inform the Lead IV of the results of their investigation.

The Lead will inform both parties of the result.

That decision can be appealed by either party and will then go to:

2. Stage 2 Appeal

The Lead will listen to all parties, review the evidence and will rule on evidence/document. The lead IVs decision is final.

1) Standardisation & Development

The Training Centre will host at least four team development meetings every year. These meetings

will normally be held at the same time and include a general team meeting.

All tutors are encouraged to continually develop their skills and knowledge in their assessment

sectors and in teaching and training techniques.
